Dear Graham

LOCAL ENTERPRISE PARTNERSHIP

Groundwork Pennine Lancashire is pleased to support the submission for a Pennine Lancashire LEP based upon the present Multi-Area Agreement between the local authorities.

As one of the leading social and environmental charities in the area, we believe that there is a strong social and economic case for an LEP on this footprint and see this as the way forward in tackling the high levels of deprivation and economic inactivity that have characterised the area for too long.

We wish you every success with the bid

Yours sincerely

Peter Neill
Executive Director
